

## Banki Kuu Sacco Canteen

The Sacco in addition to offering Savings and Credit services to its members also runs a Canteen within the Central Bank premises in Nairobi wherein it serves the employees of the Bank. The Canteen is ideally located within CBK premises thus giving it a ready market for its food. The CBK also offers ready business to the Canteen;

### Dining

The Canteen is not just a vending enterprise. Our dining solutions are a balance between good health and good taste.

We're flexible and can develop a program unique to your needs, customized to your team, and delicious all day, every day. We specialize in business and industry, corporate locations, and individuals.

#### A Focus on Food

Any meal, any style, we craft recipes and menus to excite the taste buds and please the palate. .

#### Creative Concepts

Designed to engage guests and spice up their routine, these concepts combine fresh ingredients and skilled chefs to bring tantalizing flavour combinations to guests while

integrating the health and wellness goals of our clients.

### Catering

Exceptional guest experiences extend beyond the canteen through our customizable catering solutions designed collaboratively by our clients, chefs and team leader and executed by our professional staff.

Our cuisine and service are top notch, but it's our people who set us apart. From creative chefs, to attentive management, to friendly front-of-house associates, we'll complete your vision for dining operations and focus on the execution of every last detail. Our associates participate in ongoing training and development with experienced Compass Group chefs and managers to ensure we deliver an enjoyable guest experience with every visit.
